WITHDRAWN PROJECTS

E	1	ENHANCE	Disaster Recovery System Arch Scope II	n/a	Cybersecurity	n/a
---	---	---------	--	-----	---------------	-----

PLEASE USE THE FOLLOWING GRANT CRITERIA TO RANK PROJECTS [A]-[II] FROM 1 THROUGH 26 (1 = Highest Priority, 26 = Lowest Priority)
Blacked out highlight indicates project is 100% UASI and will not be ranked by the HSWG

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)? Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities? Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency?

Is this proposal feasible and achievable with a 24-month grant performance period?

Is this proposal effectively using a collaborative manner to support the whole community approach to emergency preparedness and management?

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26
---	---	---	---	---	---	---	---	---	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----

You can use the numbers above to keep track of your rankings to ensure you've ranked all 26 SHSP or SHSP/UASI projects

---	---	---------	--	-----	---------------	-----

PLEASE USE THE FOLLOWING GRANT CRITERIA TO RANK PROJECTS [A]-[II] FROM 1 THROUGH 26 (1 = Highest Priority, 26 = Lowest Priority)
 Blacked out highlight indicates project is 100% UASI and will not be ranked by the HSWG

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)? Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities? Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency?

Is this proposal feasible and achievable with a 24-month grant performance period?

Is this proposal effectively using a collaborative manner to support the whole community approach to emergency preparedness and management?

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26

WITHDRAWN PROJECTS

E	1	ENHANCE	Disaster Recovery System Arch Scope II	n/a	Cybersecurity	n/a
---	---	---------	--	-----	---------------	-----

PLEASE USE THE FOLLOWING GRANT CRITERIA TO RANK PROJECTS [A]-[II] FROM 1 THROUGH 26 (1 = Highest Priority, 26 = Lowest Priority)
Blacked out highlight indicates project is 100% UASI and will not be ranked by the HSWG

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)? Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities? Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency?

Is this proposal feasible and achievable with a 24-month grant performance period?

Is this proposal effectively using a collaborative manner to support the whole community approach to emergency preparedness and management?

---	---	---------	--	-----	---------------	-----

PLEASE USE THE FOLLOWING GRANT CRITERIA TO RANK PROJECTS [A]-[II] FROM 1 THROUGH 26 (1 = Highest Priority, 26 = Lowest Priority)
Blacked out highlight indicates project is 100% UASI and will not be ranked by the HSWG

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)? Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities? Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency?

Is this proposal feasible and achievable with a 24-month grant performance period?

Is this proposal effectively using a collaborative manner to support the whole community approach to emergency preparedness and management?

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26
---	---	---	---	---	---	---	---	---	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----

You can use the numbers above to keep track of your rankings to ensure you've ranked all 26 SHSP or SHSP/UASI projects

WITHDRAWN PROJECTS

E	1	ENHANCE	Disaster Recovery System Arch Scope II	n/a	Cybersecurity	n/a
---	---	---------	--	-----	---------------	-----

PLEASE USE THE FOLLOWING GRANT CRITERIA TO RANK PROJECTS [A]-[II] FROM 1 THROUGH 26 (1 = Highest Priority, 26 = Lowest Priority)
Blacked out highlight indicates project is 100% UASI and will not be ranked by the HSWG

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)? Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities? Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency?

Is this proposal feasible and achievable with a 24-month grant performance period?

Is this proposal effectively using a collaborative manner to support the whole community approach to emergency preparedness and management?
