III. Risk

DHS defines risk as the product of three principal variables: *Threat, Vulnerability, and Consequences*. In the space below, describe findings from previously conducted risk assessments, including A) Threats, B) Vulnerabilities, and C) Potential Consequences of an attack.

A) Threat: In considering threat, the applicant should discuss the identification and substantiation of prior threats or attacks against the nonprofit organization or closely related organization by a terrorist organization, network, or cell. The applicant should also discuss findings from risk assessment, police findings, and/or insurance claims.

B) Vulnerabilities: In considering vulnerabilities, the applicant should discuss the organization's susceptibility to destruction, incapacitation, or exploitation by a terrorist attack.

C) Potential Consequences: In considering potential consequences, the applicant should discuss potential negative effects on the organization's asset, system, and/or network if damaged, destroyed, or disrupted by a terrorist attack.

IV. Target Hardening

In this section, describe the proposed target hardening activity, including the total Federal funds requested, that addresses the identified threat or vulnerability. Allowable costs are focused on target hardening activities as well as security-related training courses and programs limited to the protection of critical infrastructure key resources, including physical and cyber security, target hardening, and terrorism awareness/employee preparedness. Funding can also be used for the acquisition and installation of security equipment on real property (including buildings and improvements) owned or leased by the nonprofit organization, specifically in prevention of and/or in protection against the risk of a terrorist attack. This equipment is **limited** to **two** categories of items on the Authorized Equipment List (AEL).

- Physical Security Enhancement Equipment (AEL Category 14)
- Inspection and Screening Systems (AEL Category 15)

The equipment categories are listed on the AEL located at <http://www.fema.gov/authorized-equipment-list>. The description must identify the respective AEL category for all requested equipment.
