To all Homeland Security Interested parties:

The State of Nevada Department of Public Safety and the Division of Emergency Management is moving forward with the distribution of Federal Fiscal Year (FFY) 2018 Homeland Security Grant Program (HSGP) process documents ahead of the federal release of grant guidance for 2018. ***At this time, DEM is still awaiting the federal release of the FFY18 HSGP Notice of Funding Opportunity (NOFO).***

Please find enclosed the following documents:

- FFY18 HSGP Project Proposal Form;
- FFY18 HSGP Project Proposal Explanation Key;
- FFY18 Budget Template/Environmental Planning and Historic Preservation (EHP) Compliance Workbook;
- FFY18 Nevada Commission on Homeland Security (NCHS) Priorities; and
- FFY17 HSGP NOFO (for reference on POETE requirements only until FFY18 guidance is received).

OVERVIEW

The purpose of the Fiscal Year (FFY) 2018 HSGP is to support state, local, and tribal efforts to prevent terrorism and other catastrophic events and to prepare the Nation for the threats and hazards that pose the greatest risk to the security of the United States.

On January 29, 2018, the Nevada Commission on Homeland Security established the following Core Capabilities to be used during the FFY18 HSGP Process. The ranked Core Capabilities are as follows:

- #1 – Intelligence and Information Sharing
- #2 – Cybersecurity
- #3 – Operational Coordination
- #4 – Public Information and Warning
- #5 – Operational Communications

INSTRUCTIONS FOR FFY18 HSGP PROJECT SUBMITTERS

- 1) Please review the attached approved FFY18 Nevada Commission on Homeland Security (NCHS) Priorities document to determine where your project fits into the FFY18 priorities for the state of Nevada.
- 2) **Due to Executive Order 2018-4, Implementation of Nevada's Statewide Resilience Strategy, and the initiative to develop existing capacities and capabilities essential for sustainment, HSGP project submitters may be required to submit TWO versions of their proposals this year depending on the category of the project.** Sustainment-based projects will be considered separately and apart from those projects requesting enhancements or that are "new" in nature:

FOR THOSE PROJECT SUBMITTERS THAT HAVE **EXISTING** PROJECTS THAT WILL BE SENT IN FOR FUNDING CONSIDERATION:

- **You will be required to submit TWO separate project proposals.** One proposal will address **SUSTAINMENT ONLY** of your project, and the other will address **ENHANCEMENTS** to your existing project. The FFY18 HSGP Project Proposal Form will allow you to choose which version of the project you are submitting (ENHANCE-Competitive or SUSTAINMENT ONLY).
- When naming your respective project(s), we ask that you include a title suffix of SUSTAINMENT for your sustainment project(s), and COMPETITIVE for your enhancement project(s) – Example: Emergency Management – SUSTAINMENT, and Emergency Management – COMPETITIVE.

FOR THOSE PROJECT SUBMITTERS THAT HAVE **NEW** PROJECTS THAT WILL BE SENT IN FOR FUNDING CONSIDERATION:

- **You will be required to submit only ONE project proposal.** The FFY18 HSGP Project Proposal Form will allow you to choose **NEW-Competitive** as your project choice.
 - When naming your respective project(s), we ask that you include a title suffix of COMPETITIVE for your new project(s).
- 3) **At this time, and until FFY18 HSGP guidance is received, project submitters are encouraged to refer to the existing FFY17 HSGP NOFO for specific Planning, Organization, Equipment, Training, and Exercise (POETE) guidance.** Once the FFY18 HSGP NOFO is released, all project submitters will be subject to the requirements within that guidance.
 - 4) Fill out and submit your FFY HSGP Project Proposal Form and FFY18 Budget Template/ Environmental Planning and Historic Preservation (EHP) Compliance Workbook.
 - **The FFY18 HSGP Project Proposal Form and FFY18 Budget Template/ Environmental Planning and Historic Preservation (EHP) Compliance Workbook will be due to the DEM office on Wednesday, April 11, 2018, by 5:00 P.M.; this is a hard deadline and proposals and budgets will not be accepted after this date for the Federal Fiscal Year 2018 grant process.**
 - Please **electronically** submit your FFY18 HSGP Project Proposal Form by using the large red **SUBMIT** button on the bottom right portion of the last page of the document. Electronic submissions are time-stamped and recorded for compliance/audit purposes.
 - Please **separately** submit, **via email**, the FFY18 Budget Template/Environmental Planning and Historic Preservation (EHP) Compliance Workbook to DEM at DHSgrants@dps.state.nv.us.
 - 5) **All Urban Area Security Initiative (UASI) requests will be submitted to DEM at DHSgrants@dps.state.nv.us, and they will follow the same date and time guidelines;** however, once submitted to DEM, project submitters must

please attach a copy of the proposal in PDF form and email it to Clark County Emergency Management c/o Misty Richardson @ richardsonm@ClarkCountyNV.gov. This submission is *extremely* important for the UASI process.

- 6) **There may or may not be a cost share match requirement in the FFY18 HSGP NOFO.** Please be ready to accommodate the necessity for cost share within your project proposals.
