FFY2018 MASTER BUDGET DOCUMENT REVISIONS

The Division of Emergency Management has **REVISED** the Master Budget Template to address reported issues by end users regarding drop down functionality. Please disregard the previous version sent on March 27, 2018 and use the file enclosed:

- **Master Budget-EHP-Travel Addendum Template v2 Rev_FFY18**
 - This revised version should fix the drop down functionality;
 - Incorporates an additional “**Travel Addendum**” Tab which you **MUST** use when detailing out travel within your respective project(s); and
 - Incorporates a separate data reference tab called “**Data Sources**”. This tab is a read only tab, and simply consists of the reference information used for the drop down lists on the FFY2018 Budget tab. *There is nothing you must do with this information.*
