The Nevada Division of Emergency Management/Homeland Security Unveils a New Logo

The Nevada Division of Emergency Management/Homeland Security (NDEM) is pleased to announce the unveiling of its new logo. The refreshed logo preserves its history while showing its forward progress. The new version also incorporates elements of the national Emergency Management logo in an effort to be consistent with several other states and localities. Over the next several months, NDEM will roll out the new, fresh and simplified look.

The Nevada Division of Emergency Management/Homeland Security proudly serves the citizens of the State of Nevada in public safety, emergency preparedness, response and recovery.
