

PUBLIC ASSISTANCE COVID-19 BULLETIN #39 – OCTOBER PROJECT WORKSHEET DEADLINE 9/11/20

In this nationwide disaster, FEMA’s processing time cannot be guaranteed. As such, the DEM Grants Management emphasizes that **all Project Worksheets (PW’s) with work through September 15, 2020, should be entered into FEMA’s Grants Portal by October 9, 2020.** This includes all eligible emergency protective measure project types. Do not include any work done after September 15, 2020.

The window of opportunity to submit projects will be closing soon. Your jurisdiction could be waiting weeks or months for grant awards to be processed, and projects will be processed in the order received.

The next project worksheet deadline will be December 15, 2020, for work completed September 16-November 30, 2020.

Additional DEM Bulletins, FEMA Fact Sheets, and additional recovery resources can be found on the DEM Website at <https://dem.nv.gov/COVID-19/home/>
