- FEMA has established December 31, 2022, as the interim deadline for eligible Applicants to submit project applications for COVID-19 work completed from the beginning of the incident period on January 20, 2020, through July 1, 2022, the end date for 100% Federal funding.
- Although FEMA has established deadlines for RPAs and project applications for work completed under the 100% cost share, FEMA funding will remain available for eligible work conducted after July 1, 2022, under the 90/10% cost share until the COVID-19 incident period is closed.
