

# PUBLIC ASSISTANCE BULLETIN – PROJECT DEVELOPMENT UPDATES

## BULLETIN #68 – 05/17/2022

Due to the new deadlines being implemented by FEMA the DEM is making the following requirement for project development.

All project worksheets (PWs) should be separated by:

1. Projects that have work that will be completed or have items that will be used through July 1<sup>st</sup>, 2022.
2. Projects that have work that will be completed or have items that will be used from July 2<sup>nd</sup>, 2022, forward.

This is being done due to the cost-share change that begins July 2<sup>nd</sup>, 2022.

As a reminder, these are the deadlines that have been established:

- The deadline to submit Requests for Public Assistance (RPA) is July 1<sup>st</sup>, 2022.
- The deadline to submit funding requests for work performed through July 1<sup>st</sup>, 2022, at the 100% cost share is December 31<sup>st</sup>, 2022. After July 1<sup>st</sup>, 2022, projects will be funded at 90%.

Additional DEM Bulletins, FEMA Fact Sheets, and additional recovery resources can be found on the DEM Website at <https://dem.nv.gov/COVID-19/home/>.
