

PUBLIC ASSISTANCE BULLETIN – Vaccine Projects 100 % Cost Share Eligibility BULLETIN #47 – 2/2/21

In alignment with President Biden’s plan to respond to COVID-19, FEMA will provide expedited Financial assistance to support the vaccine distribution and administration at a 100% cost share for projects between Jan. 21, 2021 through Sept. 30, 2021. The full Draft Project Narrative is available on the DEM COVID-19 webpage.

Requirements

1. All projects will be written as expedited projects, with 50% of the total estimated awarded up front.
2. Projects must be written with an operational period no greater than 90-days.
3. If the cost basis is per-person, vaccination rates equal a percentage of the population:
 - The project can be written to cover up to 36% of the jurisdiction’s population.
 - Per-dose costs will be based on either:
 - The Consolidated Resource Center (CRC) developed unit costs OR
 - Costs provided by the applicant, up to the estimates developed by CRC.
 - The Vaccine Administration Unit Costs breakdown sheet is available on the DEM COVID–19 webpage.
