

PUBLIC ASSISTANCE BULLETIN – REMINDER - COVID-19
PROGRAMMATIC DEADLINES V2
BULLETIN #76 – 07/03/2023

Below are some reminders and upcoming deadlines for DR-4523:

- Applicants and Recipients must have all Project Applications for work performed from July 2, 2022, through May 11, 2023, submitted to FEMA by November 7, 2023.
- An extension of the November 7, 2023, deadline for work performed may be available up to 90 days to complete eligible demobilization, disposition, and disposal activities based on circumstances beyond the Recipient’s or Applicant’s control.
- Applicants must delineate costs for work performed and items used prior to July 2, 2022, from costs for work performed and items used from July 2, 2022, through May 11, 2023, as well as costs for work performed and items used for demobilization, disposition, and disposal activities. FEMA and Recipient will work with Applicants to process project amendments to ensure work and costs align to the timeframe of work performed.
- FEMA will apply a 90% federal cost share for demobilization, disposition, and disposal work and costs, performed on or after July 2, 2022.

Please submit your projects as soon as possible through FEMA’s Grants Portal. If you have any questions or need additional assistance, please email disaster-recovery@dem.nv.gov.
