

**PUBLIC ASSISTANCE BULLETIN - COVID-19 EMERGENCY WORK
COMPLETION DEADLINE
BULLETIN #50 – 3/29/21**

FEMA has released a memo addressing the Emergency Work completion deadline for all COVID-19 disasters. Per 44 CFR § 206.204(c)(1), Emergency Work completion deadlines are six months from the disaster declaration date. However, due to the unprecedented incident period and impacts of the COVID-19 pandemic it is necessary that emergency protective measures continue beyond the typical deadline.

For COVID-19 Disaster 4523 emergency work completion deadline under 44 CFR § 206.204(d) is **extended until further notice**. FEMA will provide notification prior to the establishment of a deadline for completion of emergency work.
