

Announcing the Upcoming Basic Inland SAR Course

**Presented by
The Air Force Rescue Coordination Center
Tyndall AFB, FL**

Where: Elko, NV

When: April 2024 (Specific dates to follow) 2 day event

Why:

This course provides a basic, broad-brush overview of search and rescue from a federal perspective. The AFRCC is a unique agency with tools and capabilities to help in your search and rescue operations. This course touches on:

- **An introduction to the AFRCC**
- **Resources and capabilities**
 - **Mission types**
 - **The FAA**
 - **Distress beacons**
 - **Overdue aircraft**
 - **Search theory**
 - **Mission operations**
 - **Legal issues in SAR**
 - **Media**
 - **Family**
- **Then culminates with a table-top exercise (Day 2)**

This course is at no cost

Seating limited. Nevada will offer a virtual attendance option for day 1.

**Come join us, have fun and meet other SAR professionals.
Hope to see you there.**
