WHAT: **Evacuation Warnings Lifted**

WHEN: **Effective Immediately**

WHERE: **Amador County**

Evacuation Order Update:

The following Evacuation Warnings have been lifted in Amador County:

Zone 3 - The area described as South of the El Dorado - Amador County line with a western border of Highway 88 at Omo Ranch Road to Highway 88 at Tiger Creek Road. Southern border of Tiger Creek Road and Salt Springs Road. Eastern border of Panther Creek Road.

REMINDER: There is still a temporary Emergency Closure in effect for the Eldorado National Forest through the end of September. This closure includes all National Forest Service lands, roads (including Mormon Emigrant Trail) and trails within the Eldorado National Forest. See Forest Order [03-21-14](#) for more information. To request access to private lands within the warning area, accessible via closed Forest Service roads, please contact your local Forest Service District Office. The Lake Tahoe Basin Management Unit is closed under the Regional Emergency Closure of all National Forests in California. See the [Regional Order](#) for more information. Recreation residences and other permittees should contact their permit administrator for questions regarding access when their area becomes open for repopulation.

Notes:

The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and any evacuation orders and warnings. A reminder to drive slowly and yield to emergency personnel in the area. There will be smoke in the respective areas as firefighters continue firefighting operations. If at any time you feel unsafe, please call 911. For tips on returning home after wildfire visit: [Returning Home Checklist - Ready for Wildfire](#)
Please go to: www.tinyurl.com/EDSOEVAC for an online evacuation map.

All previous evacuation orders and warnings remain in effect.

A mandatory **evacuation order** is defined as an immediate threat to life. This is a lawful order to leave now. The area is lawfully closed to public access.

An **evacuation warning** is defined as a potential threat to life and/or property. Those who require additional time to evacuate and those with pets and livestock should leave now.
