How do I find a shelter?

The American Red Cross offers sheltering and disaster case management assistance.

Open shelters:

- Washoe County Senior Center, 1155 E. 9th Street, Reno, NV 89512. This center is for people and small pets.
- Check availability and status of shelters at <u>www.perimetermap.com</u>

Washoe County @washoecounty

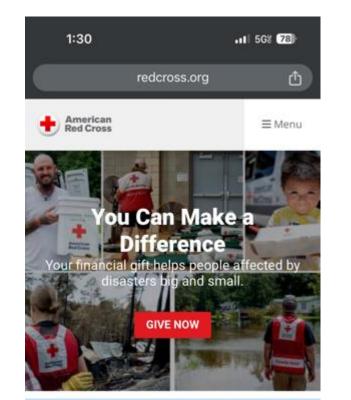

We are partnering with the @RedCrossNevada to provide an evacuation center for people and small pets impacted by the #DavisFire. Come by the Washoe County Senior Center, located at 1155 East 9th St, Reno. Sandwiches, snacks and beverages available.

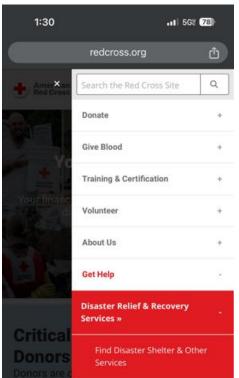

Find additional Red Cross shelters at: Find Open Shelters page

Red Cross Find a Shelter Instructions

1. Use your mobile device to visit the <u>Find Open Shelters page</u>. Click on the three grey lines next to "Menu" for drop down.

2. Click Disaster Relief & Recovery Services, and then Find a Disaster Shelter

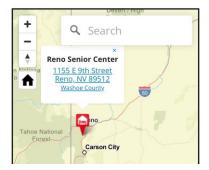

3. Type in location you are trying to find location for. Look for Red Pins with a white home graphic on the map. Click on the pins to find the detailed shelter information.

Find Open Shelters and Disaster Relief Services

If an emergency has forced you to evacuate your home, or disrupted your access to essential services, the Red Cross may be able to help.

Animal Evacuation and Sheltering

Large animal shelter remains open at:

- University of Nevada Reno Equine Facility
- Silver Saddle Ranch
- Fuji Park

Birth, Death, Marriage or Other Certificates: Contact the Department of Health and Human Services Nevada Division of Public and Behavioral Health (DPBH) Information Page

Credit or Debit Cards: Contact your banking or credit institution.

Citizenship Papers: Contact the Bureau of Citizenship and Immigration Services at **1-800-375-5283**. Information Page

Tips and Reminders for Homeowners working with Contractors

The <u>Nevada State Contractors Board</u> cautions homeowners to work only with registered contractors, and to obtain three bids for any repairs. Though a homeowner may be in a rush to repair fire damage, keep these tips in mind to <u>Hire Smart</u> and avoid shoddy work or bad contractors:

Check the contractor's license number by utilizing our <u>Online Contractor Search</u> or by contacting the Nevada State Contractors Board

Beware of red flags, including contractors who ask to be paid in cash, have a check made out to someone other than the business, or work only evenings or on weekends. Unregistered contractors or scam artists typically use these tactics.

Don't pay in full until the job is done.

Use the Contract Checklist

Insurance Assistance

Department of Business and Industry Nevada Division of Insurance

Contact your insurance company to report the **how, when and where** of the damage.

- Prepare a list of damaged or lost items and provide receipts if possible. You may want to take pictures or video of the damage for additional claim documentation. <u>Do not throw anything away</u> without discussing it with your claim adjuster.
- **Keep receipts** for expenses including lodging, repairs or other supplies.
- Verify your insurance adjuster in licensed.
- List of the claims hotline numbers for Nevada's ten largest home insurance carrier groups.
- Making repairs

Taking care of yourself is important

SAMHSA **The Disaster Distress Helpline (DDH)** is the first national hotline dedicated to providing disaster crisis counseling. This toll-free, multilingual, crisis support service is available 24/7 to all residents in the U.S. and its territories who are experiencing emotional distress related to natural or human-caused disasters.

DEAFLEAD

DeafLEAD is an organization that aims to provide complete and ongoing support to Deaf, Hard of Hearing, Late-Deafened, and DeafBlind individuals and their families. They offer a trauma-informed approach to help people navigate through severe distress, disasters, or being a victim of a crime. The team of staff and volunteers provide emotional support and access to necessary resources that can help individuals thrive.

DeafLEAD offers 24/7 crisis intervention, advocacy, case management, interpreting, and mental health support services to victims of crime who are Deaf, hard of hearing, DeafBlind, and late-deafened individuals and their families. The staff are also experts in victim services, and they help organizations ensure that their services for crime victims with hearing loss are culturally and linguistically appropriate. For additional details regarding the services and resources provided, please visit the <u>DeafLEAD Website</u>.

Pregnancy

What is wildfire smoke?

Wildfire smoke can travel thousands of miles and includes a mix of air pollutants like very small particles (PM, ,) and gases like carbon dioxide (CO) and ozone (O).

We breathe these small air pollutants into our lungs.

From there, they can enter our blood and harm other organs, including traveling to the placenta.

How does wildfire smoke affect pregnancy?

- Air pollution from wildfires and other sources can:
- 👶 Increase risk for preterm birth and low birth weight
- 👶 Increase risk for higher blood pressure (hypertension) during pregnancy
- Increase risk for diabetes during pregnancy

How can we stay safe?

Reduce activities

like smoking, vaping,

vacuuming, or using gas

stoves when indoors.

Avoid unnecessary

outside

Check the Air Quality outdoor activity, and Index (AQI) at wear a tight-fitting www.AirNow.gov N95 mask if you are before going outside.

Y El Embarazo

¿Qué es el humo de los incendios forestales?

El humo de los incendios forestales contiene una mezcla de contaminantes atmosféricos como las PM2.5 y el ozono. Se puede propagar por miles de kilómetros.

 Las PM_{2.5} son partículas de 2.5 micras (30) veces más pequeñas que una hebra de pelo)

- Su tamaño le permite entrar fácilmente en los pulmones.
- La inflamación en los pulmones por estas partículas se puede propagar a la sangre y llegar a la placenta.

¿Qué puede hacer el humo durante el embarazo?

Ouiere saber Aumentar el riesgo de parto prematuro y de bajo peso al nacer más? Aumentar el riesgo de diabetes durante el embarazo Aumentar el riesgo de presión arterial alta (hipertensión) durante el embarazo

¿Como podemos estar seguros?

NDEX

Hable con su médico utilice un purificador de sobre sus problemas de aire con filtro HEPA. salud.

Utilice una mascarilla bien aiustada (idealmente una N95)

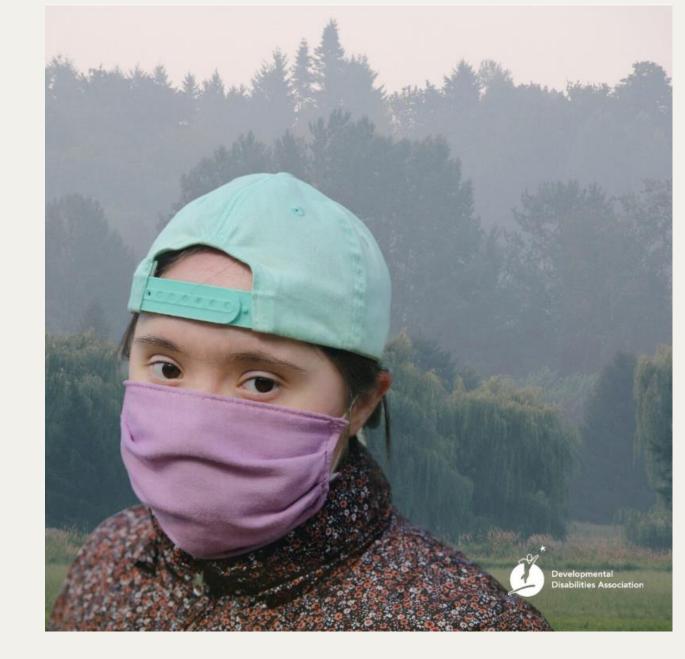

Consulte el índice de calidad del aire (AOI) en AirNow.gov antes de ir afuera
